

Praying Onsite Insight

Pray:

- That God causes a hunger and thirst for Him to grow in each person.
- For peace, hope and comfort from God for people in their life circumstances.
- That people will find their source of fulfillment in Christ.
- For Christians to love their neighbors and live authentically godly lives that cause others to ask about the hope they have in Christ.
- For peace and prosperity for this community.
- For needs by what you see. Be the eyes, ears and heart of Jesus.
- That God will use circumstances in people's lives to bring them to Him.
